On behalf of Accreditation Commission for Health Care (ACHC), it is my pleasure to inform you that Compassionate Caregivers Homecare has been **approved for accreditation** for the Home Care Program. The services approved are Home Care Aide Services, Home Care Companion/Homemaker Services.

Your accreditation is effective August 10, 2023 through August 9, 2026. Of course, maintaining accreditation is contingent upon continued compliance with ACHC Accreditation Standards during this period. In granting accreditation, ACHC finds that your company has demonstrated that it operates at a level of quality, integrity, and effectiveness consistent with its standards.

If you have any questions, you should feel free to contact your organization's Account Advisor, Michelle Shaw.

Again, ACHC extends its congratulations to Compassionate Caregivers Homecare for being awarded accreditation. It is an achievement of which your organization can be proud and one that marks your commitment to quality in the provision of care.

Sincerely,
